AMITH WISHVA DINU

WEB DEVELOPER | UI/UX DESIGNER

Sri Lanka | +94 76 125 2234 | wishvad4@gmail.com

PROFESSIONAL PROFILE

Software Engineering graduate and early-career Web Developer and UI/UX Designer with hands on experience in frontend development, responsive interface design, user experience, application development and digital project coordination. Skilled in HTML, CSS, JavaScript, TypeScript, React, React Native, Python, FastAPI and REST APIs, alongside Figma for wireframing, prototyping and UI design. Experienced in developing academic and personal software projects and combining user centered design with practical software development.

TECHNICAL SKILLS

WEB DEVELOPMENT	UI/UX DESIGN	TOOLS & WORKFLOW
HTML5, CSS3	Figma	Git & GitHub
JavaScript, TypeScript	Wireframing	Jira, Notion
React, React Native, Expo	Prototyping	Confluence, ClickUp
Python, FastAPI	User Flows	Miro, FigJam
REST APIs, API Integration	Design Systems	Docker, VS Code
Responsive Web Design	Usability Testing	Canva, Microsoft 365

PROFESSIONAL EXPERIENCE

Head of Digital Marketing – Global Entrepreneurship Week 2026

ICTA | Jan 2026 – Mar 2026 | Sri Lanka

- Led digital marketing activities across multiple campaigns and events.
- Designed digital content and promotional materials for different target audiences and event streams.
- Coordinated content reviews and approvals with internal stakeholders while maintaining campaign schedules.
- Monitored digital campaign performance and used engagement insights to inform future content decisions.
- Collaborated with internal and external partners to maintain consistent messaging across campaign activities.

Project Coordinator Intern – Disrupt Asia 2025

ICTA | Jan 2025 – Dec 2025 | Sri Lanka

- Coordinated project activities for a five-member team, supporting milestone delivery and project organisation.
- Used Jira and Notion to manage project documentation, tasks, action items and team visibility.
- Supported project scheduling, workflow communication and documentation throughout project delivery.
- Tracked project tasks, dependencies and milestones across project workstreams.
- Prepared project updates, meeting notes and status documentation for project stakeholders.
- Facilitated project check-ins, clarified priorities and recorded decisions, responsibilities and deadlines.

SELECTED PROJECTS

AI Vehicle Damage Assessment System | *React Native | Expo | FastAPI | Python | YOLOv8 | REST API*

Designed and developed a cross-platform mobile application for automated vehicle damage assessment. Developed the React Native frontend, built a FastAPI backend, integrated YOLOv8 damage detection, and designed interfaces for presenting damage results and repair-cost estimates.

Maison Noir E-Commerce Website | *UI/UX Design | Figma | Responsive Web Design*

Designed a premium e-commerce experience including homepage, product listing, product detail and cart/checkout interfaces. Created user flows, responsive layouts and reusable visual components.

Coffee Ordering Application | *UI/UX Design | Figma | Prototyping*
Designed a mobile coffee ordering application for university students. Created user personas, user flows, wireframes and high-fidelity prototypes focused on simple navigation and ordering.

HOUSEFIX– Household Services Booking Application | *UI/UX Design | User Research | Application Development*
Designed the user experience and interface for a household-services booking application. Conducted user research and designed customer journeys for finding and booking services. Currently in development.

EDUCATION

Bachelor of Science (Honours) in Software Engineering | University of Central Lancashire (UCLan) | 2026 | Sri Lanka

CERTIFICATIONS & ACHIEVEMENTS

- UI/UX Designer Certificate – Freelancer College by Learn with Bevin Pvt Ltd, 2026
- Generative AI Fundamentals – IBM, 2026
- Appreciation Award – Global Entrepreneurship Week, 2025
- Best Team Performance Award – Disrupt Asia, 2025

VOLUNTEERING & LEADERSHIP

- Coordinated education-outreach activities involving 200+ schools across Sri Lanka, supporting GEW initiatives while working with schools, universities and internal stakeholders.
